The End

Your Guide to:
End with Power

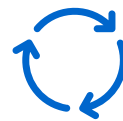

Core Principle

A Powerful Ending Makes Your Audience
Feel, Think & Act.

The Question

End by asking a question that fully embodies the message of your presentation.

The Loop

End where you started. If you start with a quote, end with the same or a similar quote.

The Summit

End on a high by using your body language and voice to create momentum.

The Reveal

End by revealing your key message through a twist that surprises your audience.
